EMPLOYMENT

- 3/07-present Editor, Ikseni Productions
With Ikseni Productions, I worked on multiple projects including a hit television series broadcast on the largest Greek Channel, music videos for established national and international artists, commercials, and behind the scenes segments. My time with this company has taught me how to work under tight deadlines, with and without close supervision, working and broadcasting in HD.

- 1/07-4/07 *Post Production Intern, The Onion*
I interned for the extremely popular Onion News Network series on the web where my duties included logging and capturing footage in DVCPRO, DV, mini Dv. I also prepared rough assemblies and rough edits, as well as obtaining footage, archiving footage, and light clerical work.
536 Broadway, 10th Floor, New York, NY, 10012
- 2/05-11/06 *Business Specialist, Apple Computer, Inc.*
As a business specialist, it was my duty to work with local small and large businesses to help them get the proper equipment they needed to run their offices. Used Filemaker pro to maintain and create databases on clients. I was also a "Procare" instructor. I gave one-on-one training on Apple software in the store.
